In 1917, our original fleet comprised just four teams of horses.

Today, we run an entire fleet of high-security tractor trailers.

Regional In-House Less-Than-Truckload (LTL) Solutions

- ✓ **Cost Savings** — Only pay for the space your product needs
- ✓ **Flexible Scheduling** — Busy regional routes empower faster turnaround
- ✓ **Safe Handling** — Your product is handled exclusively by trusted experts
- ✓ **Timeliness** — We schedule shipments efficiently for your convenience

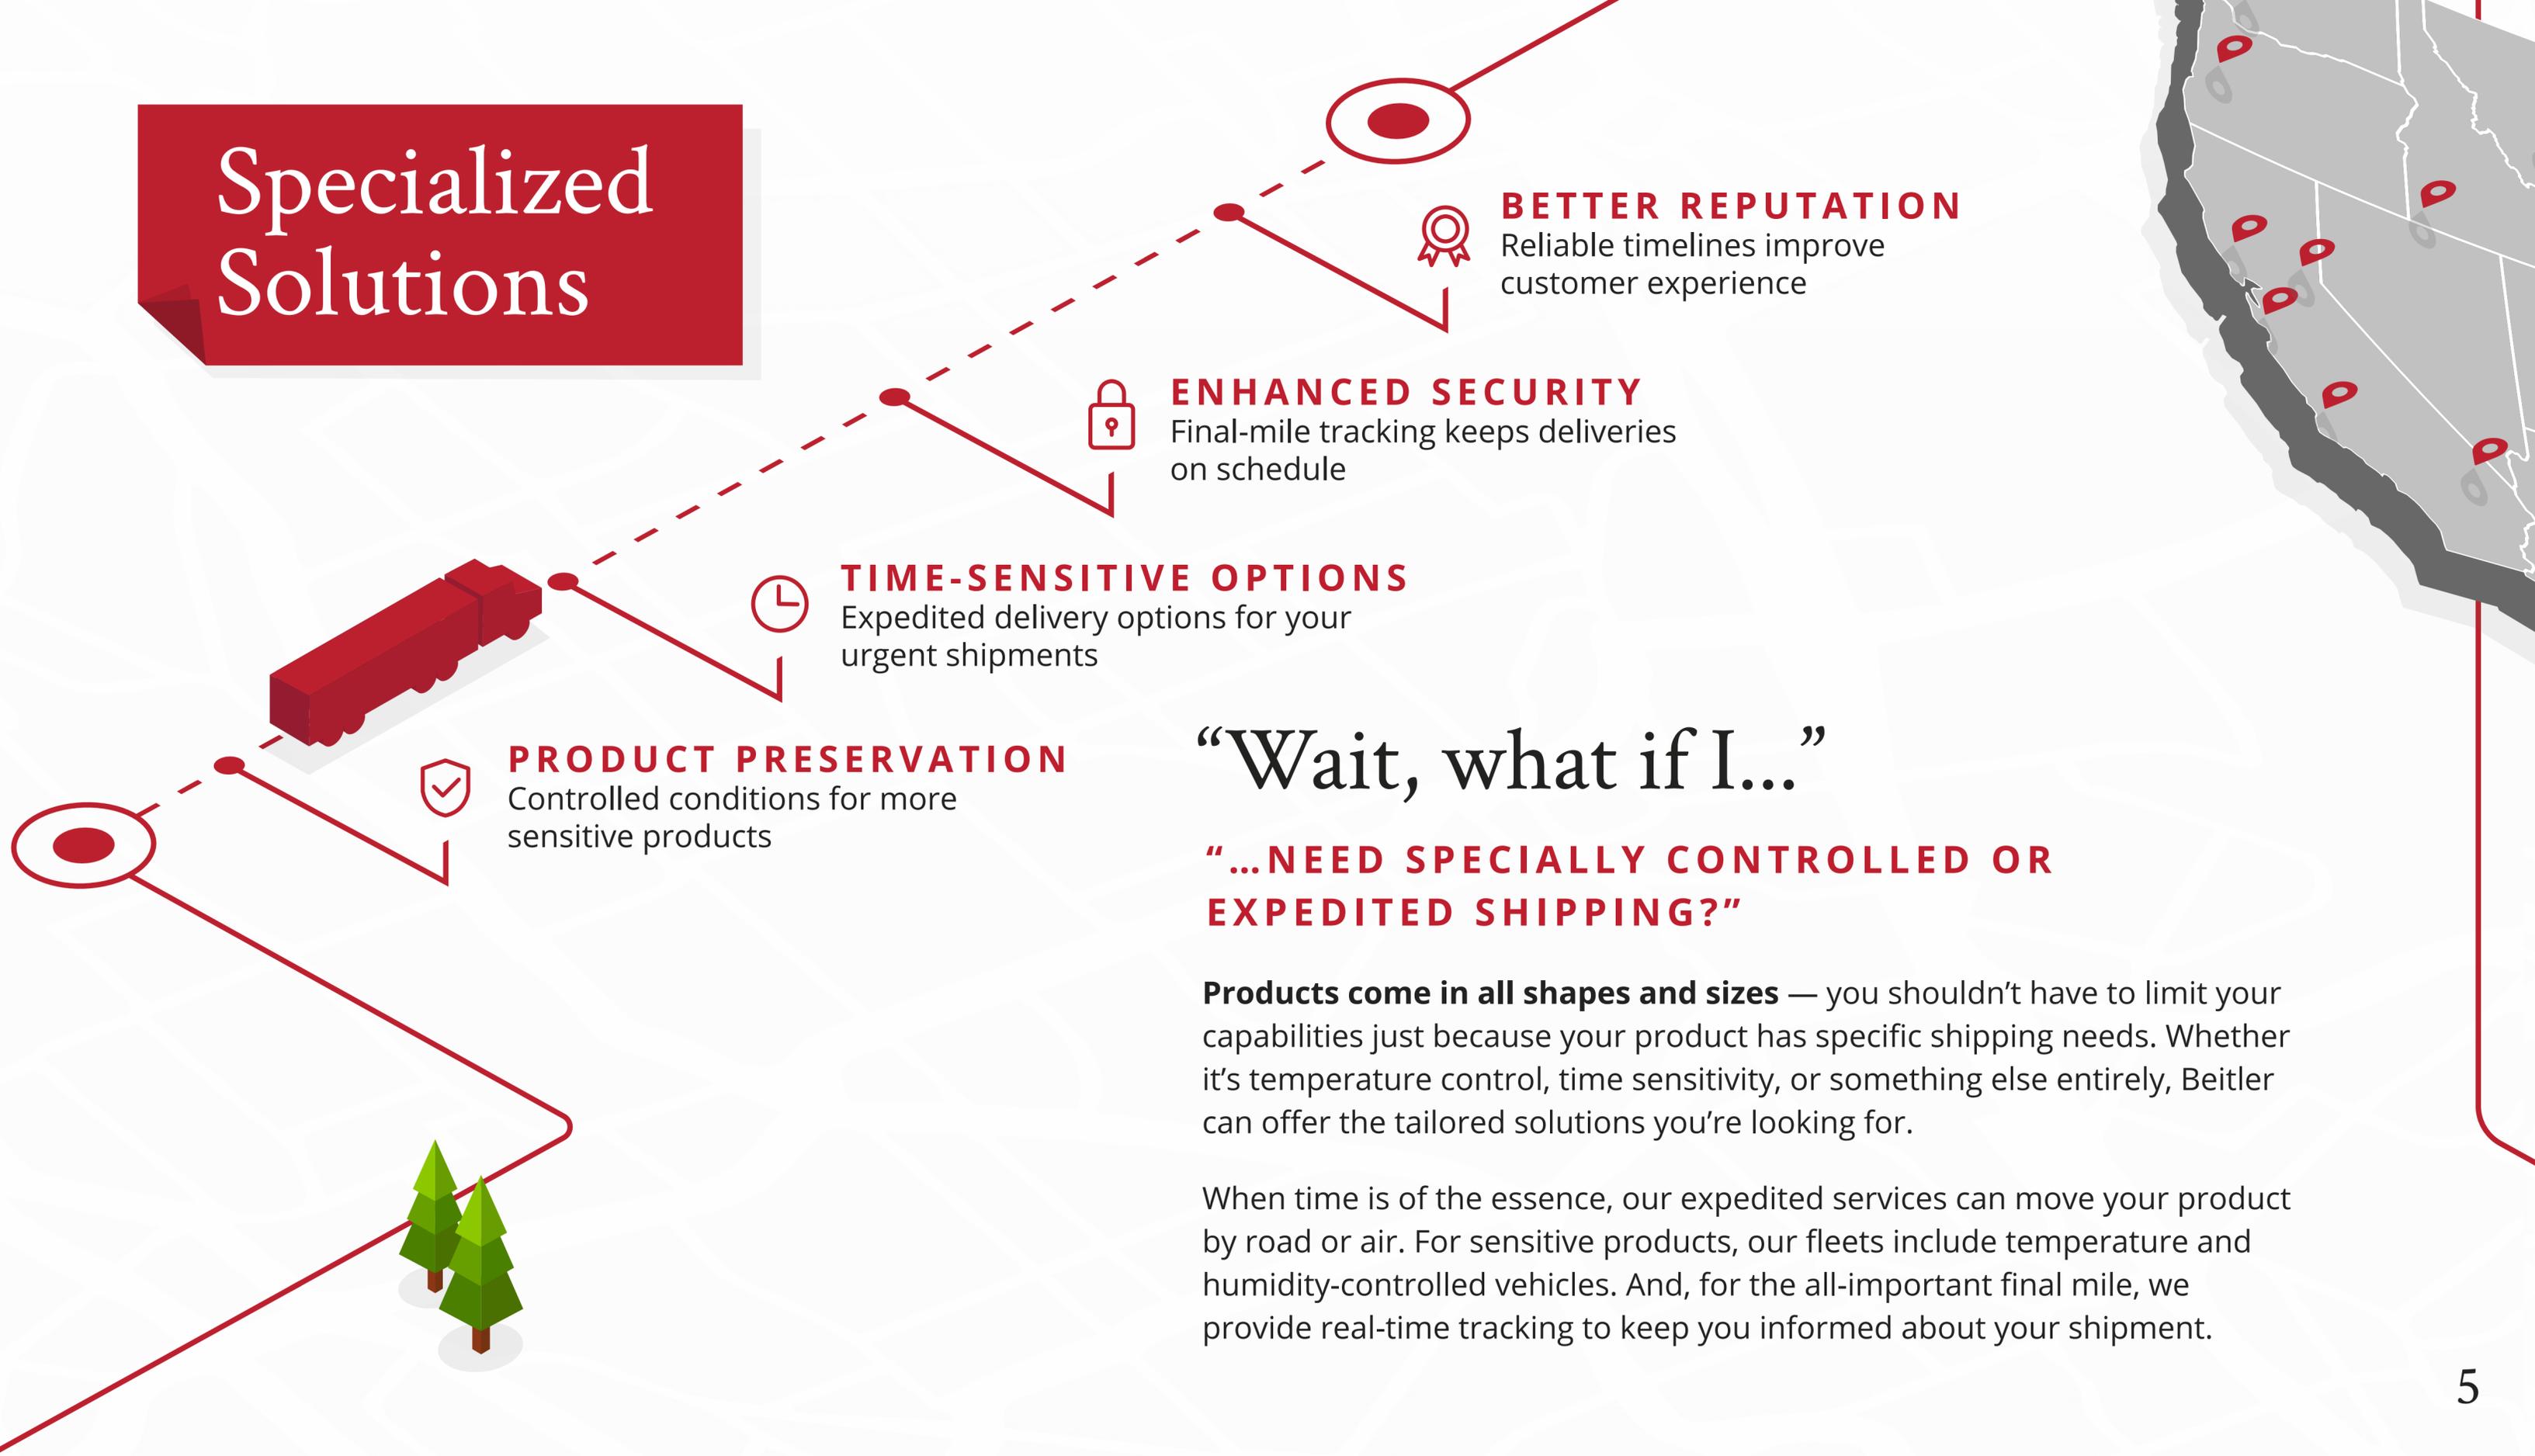

“Wait, what if I...”

“...DON'T HAVE ENOUGH FREIGHT TO FILL A TRUCKLOAD?”

For the times when your shipping volume can't justify the cost of a full truckload, Beitler's less-than-truckload (LTL) services can get your product where it needs to go without breaking the bank. Your packages are handled only by trusted personnel trained in Beitler's rigorous standard operating procedures.

Wherever your product needs to go, Beitler has the infrastructure to get it there with the same security and efficiency we always provide. **We handle the complicated logistics so you don't have to.**

“Wait, what if I...”

“...NEED SPECIALLY CONTROLLED OR EXPEDITED SHIPPING?”

Products come in all shapes and sizes — you shouldn’t have to limit your capabilities just because your product has specific shipping needs. Whether it’s temperature control, time sensitivity, or something else entirely, Beitler can offer the tailored solutions you’re looking for.

When time is of the essence, our expedited services can move your product by road or air. For sensitive products, our fleets include temperature and humidity-controlled vehicles. And, for the all-important final mile, we provide real-time tracking to keep you informed about your shipment.

National BLS Shipping Solutions

- ✓ **Greater Distance** — Ship across the nation and into Canada
- ✓ **Flexibility** — Trusted carriers for virtually any volume, timeline, or distance
- ✓ **End-to-End Solutions** — Includes cross-docking and pool distribution
- ✓ **Efficiency** — Comprehensive lift-gate and delivery window capabilities
- ✓ **Simple Scalability** — Adaptable options for your expanding business

“Wait, what if I...”

“...NEED TO SEND MY PRODUCT BEYOND THE REGIONAL SERVICE AREA?”

Beitler’s regional service areas are vast, but some shipments need to go further. If shipping beyond the region leaves you feeling out of your depth, Beitler has the answer. Through partnership with our sister company, Beitler Logistics Services (BLS), we connect you with an expansive network of Beitler-approved carriers with the means to move your product across the nation.

As a non-asset logistics provider, BLS offers the same attention to detail you expect of the Beitler companies nationwide. We even offer options for **cross-docking, pool distribution, and third-party warehousing.**
